## Senior Vice President

### **Expert in Utility Regulation, Financial Advisory, Market Analysis & Resource Planning**

---

James Coyne, Senior Vice President, is an energy industry expert who provides financial, regulatory and strategic support services to clients in the regulated utilities industries. Drawing upon his industry and regulatory expertise, he regularly advises utilities, public agencies and investors on business strategies, investment evaluations, cross-border trade, rate and regulatory policy, capital cost determinations and energy markets.

Mr. Coyne is a frequent speaker and author of numerous articles on the energy industry and regularly provides expert testimony before federal, state and provincial jurisdictions in the U.S. and Canada. He testifies on matters pertaining to the cost of capital, capital structure, business risk, alternative ratemaking mechanisms and regulatory policy. Mr. Coyne has provided expert evidence on the cost of capital in over 50 proceedings for electric, gas and water utilities, and electric transmission and pipeline companies.

Prior to Concentric, Mr. Coyne worked in senior consulting positions focused on North American utilities industries, in corporate planning for an integrated energy company, and in regulatory and policy positions in Maine and Massachusetts. He holds a B.S. in Business from Georgetown University and an M.S. in Resource Economics from the University of New Hampshire.

Mr. Coyne has testified on ROE in Alberta, British Columbia, California, Connecticut, Florida, Hawaii, Maine, Minnesota, New Brunswick, Newfoundland and Labrador, Nova Scotia, Ontario, Prince Edward Island, Quebec, South Dakota, Vermont, Virginia, Wisconsin, Yukon, the Canada Energy Regulator, and the FERC.
