

JENNIFER NELSON

Assistant Vice President

Expert in Utility Regulation, Market Analysis & Resource Planning

Jennifer Nelson, Assistant Vice President, has thirteen years of experience in the energy industry, spanning the oil, natural gas, electric, water, and renewable energy segments. She has provided expert witness testimony on behalf of electric, natural gas, and water utilities regarding the cost of capital and regulatory policy issues in Arkansas, Kentucky, Maine, New Hampshire, New Mexico, North Carolina, Oklahoma, Texas, and West Virginia. Ms. Nelson has supported the development of expert testimony on the cost of capital in more than 100 proceedings before numerous state utility commissions and the FERC. In her time as a consultant, she has provided research and analysis on a variety of utility regulatory matters including ratemaking and regulatory policy, integrated resource planning, renewable power contracts, natural gas pipeline development, and natural gas utility supply planning issues. Ms. Nelson has extensive experience performing statistical analyses, developing economic and financial models, and providing policy analyses and recommendations.

Prior to joining Concentric, Ms. Nelson was a Director at ScottMadden, Inc, and previously a managing consultant at Sussex Economic Advisors, LLC. Prior to her time as a consultant, she was a staff economist at the Massachusetts Department of Public Utilities and a petroleum economist for the State of Alaska. Ms. Nelson holds a Master of Science degree in Resource and Applied Economics from the University of Alaska and a Bachelor of Science degree in Business Economics from Bentley College.

Ms. Nelson has testified on ROE in Arkansas, New Hampshire, New Mexico, North Carolina, Texas, and West Virginia.
