

BILL DAVIS

Assistant Vice President

Expert in Utility Regulation, Market Analysis & Resource Planning

Bill Davis, Assistant Vice President, brings to Concentric 16 years of experience at a significant Midwest electric and gas utility.

Mr. Davis is an experienced senior leader and expert witness specializing in renewable energy and the planning, implementation, and evaluation of utility energy efficiency programs. His expertise includes a wide range of regulatory matters, including load research, sales and revenue forecasting, rate design, class cost of service studies, lost revenue recovery, and prudence reviews.

Mr. Davis spent his most recent five years at the utility leading the regulatory strategy, program implementation, and analytics for a demand-side resource portfolio of \$50-70 million annually along with customer-facing renewable energy offerings like net metering, solar rebates, and renewable subscription programs. He holds a B.S. and M.S. in Economics from Illinois State University, and was a member of Public Utilities Fortnightly Under 40 Class of 2020.
