

# JOSEPH S. WEISS

## Vice President

**Joseph Weiss has extensive rate and regulatory experience with gas, electric, pipeline, and water and wastewater utilities.**

He has testified as an expert witness more than a dozen times before several state commissions on revenue requirement related issues for gas, electric, and water and wastewater utilities. Mr. Weiss has worked on projects involving revenue requirements, performance benchmarking, affiliate transactions, cost of service, rate design, rate of return, and rate case preparation and management.

Mr. Weiss has extensive rate and regulatory experience with gas, electric, and pipeline utilities. During his time at Concentric, he has developed and fostered relationships with several investor-owned gas and electric utilities, and is now viewed by these utilities as a trusted advisor and on-call resource for their rate filings. Mr. Weiss has assisted these utilities with achieving their corporate goals while meeting evolving regulatory mandates through developing and implementing rate structures including formula rates and multiyear rate plans.

Prior to joining Concentric Energy Advisors, Mr. Weiss was a Consultant with Navigant Consulting, Inc. and has worked for a large Midwest investor-owned utility. Mr. Weiss has an M.B.A. from Southern Illinois University Edwardsville and a B.S. in Business Administration with a major in Accounting and Finance from Saint Louis University.
